

100 US active military and veterans die every day by suicide protesting lack of care by VA and USA. VA's skewed lies of today it's 18, tomorrow 20, next Tuesday its 22 is a bingo game to them. Only VA and US biz interests can stoop so low in the cesspool profiteering from veteran suffering and suicide. Americans never have been concerned when their personal choices infringe upon or even harm the well-being of their fellow citizens – *until consequences boomerang back on them.*

Death by VA: Clarksburg W. Va, veteran murders

by VA hospital staff is only tip of the iceberg!
